### ROOMS WITH ROOM TO SPARE.

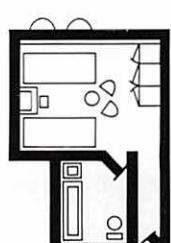

All of Rhapsody's cabins are superbly comfortable in size – while the deluxe rooms offer even more space. And when you return to your cabin at the end of the day, how nice to know that it has been immaculately prepared by your cabin steward.

And to really make you feel at home at sea, all rooms have carpeting, a private shower and/or bath, telephone, 2-channel radio, and individually controlled air-conditioning.

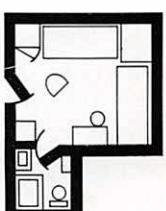

Staterooms can vary to some extent in actual layout, size and decor.
